

29th November 2017

Dear Parent/Carer,

The Science department has secured an excellent opportunity to order copies of the new GCSE AQA Combined Science All-in-One revision and practice workbooks published by Collins at a heavily discounted price for our students. We would like to offer all students in Years 9, 10 and 11 the opportunity to purchase these books to use every week as part of their learning in Science.

This revision workbook contains detailed notes and images for all of the topics studied throughout the complete course, as well as mini-quizzes and practice exam questions, and advice on exam techniques. The workbook covers the content across Biology, Chemistry and Physics, so only one book is required for the whole course.

We believe this is an excellent resource to consolidate your child's learning and to support their revision in Science.

The recommended retail price for this workbook is £16.99, however we are able to purchase the workbook for your child at the reduced price of £9.00. If you would like to purchase a copy, please return the slip with cash/cheque payment (cheques made payable to Ormiston Park Academy) to reception where you will receive your receipt.

The deadline for orders is **Friday 15th December**. This will allow us to place the order before we break for Christmas.

Yours faithfully,

S. Thacker

Mrs S Thacker
Curriculum Leader of Science

AQA GCSE Combined Science Revision Guides

I would like to place an order for the Science revision guide. Please find enclosed my payment by cash/cheque (delete as appropriate).
