

28th February 2018

Dear Students, Parents & Carers,

It is with great delight and excitement that we welcome you to Ormiston Park Academy. The delight comes from the work already undertaken in preparing for the arrival of our new Year 7 students as they make their important and somewhat daunting next steps in their educational journey. The excitement comes from a realisation that we have before us the potential for a tremendously successful and rewarding journey.

As is evident, we have a fantastic building and grounds to work within and it is our aim to maximise both student and community use of them. We hope that families will take any and all opportunities to join with us and enjoy these outstanding facilities.

We ask from our students to have the highest aspirations for their future and to work with confidence and determination every day. We too will work equally hard to provide an engaging and challenging curriculum to support the progress of each and every one of our students.

The Academy's vision is for its students is to 'Believe and Achieve'.

We ask that parents/carers hold equally high expectations of their children and the Academy. Please take every opportunity to meet, talk and work with our staff. Do not hesitate to communicate with us at any time on any matter. Working in close partnership with you will ensure our vision becomes a reality.

We hope you feel the same excitement that we do and we look forward to working with you over the coming years.

Yours faithfully

Huw Derrick
Principal
